February 2010

## **From the Director's Chair**

Another month has flown by, and it is almost Valentine's Day already. It is fun to have hearts and cupid decorations all around, and the kids love making cards for their parents and others. It is fun as a parent to give our kids cards and gifts, too. This Valentine's Day, give your kids another gift – spend some time together as parents where your kids can watch you. In our parenting classes we have been talking about the importance of the security kids get when they know their parents love each other. Whether you are a household where the parents are together or not, you can support this need by speaking kindly to and of one another. Make your relationship a priority, and do so in front of your kids. Time spent together after the kids are in bed is great, but also important is time spent together when the kids are watching. You might be amazed at the results!

## **Upcoming Events:**

Feb. 12: Valentine Parties – see your child's teacher for more information

Feb. 15-19: Alicia out of the office, attending LEA National Administrator's Conference

March 8-12: National Lutheran Schools Week – special events all week!

March 14: Little Praisers sing at Praise, 10:45 A.M., reception to follow.

## **Fundraiser**

Thanks so much for the awesome response to our coupon book fundraiser. Little Praisers sold 240 coupon books, giving us a profit of \$1920.00! We are excited about choosing some new items with these funds. Your participation in our fundraisers allows us to purchase new materials, equipment, and supplies without having to raise tuition. Thanks!

## **National Lutheran Schools Week**

Little Praisers will celebrate National Lutheran Schools Week March 8-12. We will have some fun activities and special dress days. We will also have some guests and a pizza party. More information will go home soon, but in the meantime, please mark your calendar for Sunday, March 14, when the children will sing at the 10:45 church service at Praise. There will be a cake reception after church, and all children will get a special gift. We will also have a slide presentation of photos taken during National Lutheran Schools Week, including our crazy dress-up days and special guests! I hope you can join us!
